INDIVIDUAL LOT BUILDERS

This form is to be completed prior to beginning construction on any home to be enrolled in the 2-10 Home Buyers Warranty® program. If the information required to complete this form is not available at the time of construction then forward the completed form to HBW immediately upon closing of the home along with the Application for Home Enrollment (302) and warranty fee. For condominiums, this form must be submitted to HBW for each condominium project.

SUBDIVISION BUILDERS

This form is to be completed for each subdivision being enrolled in the 2-10 Home Buyers Warranty® program, prior to beginning construction on any of the homes. Subdivision builders only need to resubmit this form if the information on this form has changed. If the information required to complete this form is not available then forward the completed form to HBW immediately upon closing of the home along with the Application for Home Enrollment (302) and warranty fee. For condominiums, this form must be submitted to HBW for each condominium project.
